

## PRESS RELEASE

### **innowake expands its network - new Italian partner Emerasoft**

**Senden, Germany and Turin, Italy, November 17th 2011.** innowake and Emerasoft s.r.l. of Turin, Italy announce partnership. The deal gives Italian mainframe users access to innowake's entire product portfolio, including the modern development environments for Natural and Cobol. "We are very happy about partnering with Emerasoft," says Björn Langmack, Chief Sales Office at innowake, "because the company has outstanding relationships with its clients and they are known for their great competency in the field". Languages barriers are a thing of the past and innowake can react much more quickly to local requirements in Italy.

#### **About Emerasoft**

Emerasoft s.r.l. combines innovative solutions and services to configure business processes more efficiently and flexibly. The software company located in Turin, Italy, produces and sells modern technology around application development with extensive experience in various fields of IT.
